

Commander In Chief Donald Trump,

I Am Seeking "Pardon," And "Permission To Come Aboard."

In My Late Thirties I Had A Goal... Navy Corpsman, Freemasons, C.I.A. (Witness Protection). I Asked GOD To Be With I, In This Journey. In The Navy, I Was Always Surrounded By Freemasons, And Was Told I Would Go Far (In The Navy). I Was Invited To Two Masonic Temples (Jacksonville, NC And Morehead City, NC) And Accepted First Degree When I Was In Navy Reserves. I Quickly Found Out Freemasons Worship Lucifer (Devil, Satan), And I Witnessed Freemasons Lying To The Public. I Was Choked By Member "Ron Gore" When I Called Him Out For Lying (About Being "Master Mason"), And I Said, I Will Expose The Truth About Freemasons (Witness: Tina, Tackle Box Tavern, Atlantic Beach, NC). I Left North Carolina After Getting Fired From All Jobs (Fire Department, Restaurant, Tavern), And Navy Reserves Sabotaged (By Chief Roman, Alameda, CA). I Moved Back To California To Be Harassed By Chico Police Department, I Filed Two Complaints (Copies In Google Drive), And Had Attempt On I Life From "Steve Givens" Who Had Two Freemasons In His Band (Bass Player And Drummer). Police Did Nothing About Attack ??? I Did Quick Sale Of Property In California, Moved To Remote Sedona AZ (Planned For One Year), To Heal, And Be Close To GOD.

BEWARE OF "The Freemasons" That Surround You, Commander In Chief.

I Am (He) Asking For "Pardon," And "Permission To Come Aboard."

 - Michael Willis Chase 2/20/20

P.S. I Have Been To Nuclear Missile Base (Several Times), Top Secret Hangars (Havloc North Carolina), And New Construction Under Ground Base, Not On Military Record.

GOD Bless You, And America.
